FOREWORD

"And we're all young
together,
And the best of life's
ahead,
When you're marching for
Ole' Manual!"

Old Manual will be a memory and the best of life ahead includes a look in a new direction toward our New Manual progressing day by day . . . with excitement and joy we watch brick upon brick, girder after girder to realize the culmination of a dream.

"Entrance of Manual, 1962."

Our new school begins to take shape.

The attractive new central Illinois light building with its mosaic tile wall and blue steel paneled sides.

Overpasses improve traffic movement and change appearance of our city.

Our Brazilian student, Marcia Junqueira, admires an abstraction shown at Demanes' Contempary Gallery.

An old name gives way to a new one as Carson's comes to the Peoria scene.

New Directions . . . '62

Students of Manual are proud to be citizens of Peoria, where as young adults we feel we are taking our place in a community that is headed in a new direction.

Donna Platte's mind wanders from her book, while she dreams of the future.

Our airport makes the rest of the world only hours away.

Ozark Airway's Turbo-Jet.

We feel that Manual has turned in a new direction, that of increased international understanding, by participating in the American Field Service Program this year.

The American Field Service which is a private, non-profit, education organization whose purpose is the furthering of understanding and goodwill among the peoples of the world. It carries out this purpose by bringing teen-age students from abroad to study in American high schools and to live in American homes and communities for a year.

Bill Merriman, Mary Schliepsiek, and Jackie Nau study world geography and history.

This is a view of Cocacabana Beach area with its large hotels and apartments. It is this area of Rio de Janeiro, Brazil where Marcia and her family live. She attended a private girls' school before coming to Manual. Marcia, when asked to give her impression of being in America, said; "This opportunity to meet and live with Americans, to understand them, to be understood, is something I wish everybody could have. It is quite an experience! I am so happy here at Manual; I couldn't feel more at home. I love being a foreign exchange student."

Marcia was introduced to the faculty and students at a reception given in her honor by the Student Council in the Manual Library in September. She is shown here with President David McKie, Marilee Neptune, and Bill Kessler.

ACTIVITIES

Have you ever seen Manual
In one wide sweeping glance?
Seen the building and the lamp posts--
the football games on week ends
the homecoming parade,
a choir Christmas program,
or a teachers' stunt show skit?
Have you heard the noisy clatter
in the hallways every morning,
the gong of the bell when class is out
or the hushed stillness in the Code
assembly?
Have you felt the deep frustration
of a wholly fruitless effort,
the satisfaction of a job well done,
the warmth of lasting friendship,
or sadness for someone?
Can you see all this
in but one swift glance?
The answer is simple; of course you
cannot!
For the view is too broad, the eye is
too slow
to see even a portion of the whole.
To see it takes years, three to be exact;
to see it takes joy, anger, frustration,
and you must be alert, for you to see it
but once,
and then move on in a new direction.

Homecoming . . . '61

A group of girls, headed by Carol Sprehe won the prize for the best float in the Homecoming parade.

The Student Council stunt ended with the surprise crowning of Queen Georgia.

Miss Georgia Schaefer reigned over the homecoming activities as our 1962 Homecoming Queen. We were all delighted to have her as our charming queen.

Last year's queen Carol Hodson crowns Miss Georgia Schaefer as our 1961 Homecoming Queen at the game.

The queen and her attendants are awaiting the ride around the field at half time.

Queen Georgia and her king, Monty Miller pose with their attendants, Carol Anderson and Annie Carr. Their escorts were Bill Kessler and Eddie Jackson.

Our Mayor, Dave McKie, with other student council members decorate the Christmas tree in the main hallway.

LaReta Hinton and Marjorie Norman talk to a small patient in St. Francis Hospital.

Kathy Bolwinkle and Suzanne Curtis prepare Christmas baskets.

Christmas Service

Many organizations and individuals at Manual know the feeling of satisfaction that comes from helping fellow human beings. Advisories contribute money and food for Christmas baskets; Red Cross sent a party box to a veteran's hospital; Art Club decorated the Children's ward at St. Francis Hospital; the Student Council visited the elderly and also decorated our school. Many contributed time and effort to bring joy to others in the true spirit of Christmas.

A nurse admires Marjorie Norman's decoration for the children's ward.

Our Snow Queen and King, Elissa Gustafuson and Dave Dippold stand with Becky Kasper and David Auer.

Carol Tompkins and Tom Green, Junior candidates gaze at dancers.

Guydeen Beckwith and Ronnie Roos, Sophomore candidates, enjoy a dance.

and Christmas Gaiety . . .

The spirit of service for others at Christmas time comes first at Manual. However, it is also a season of song and happiness. Our wonderful choral groups sang for us in an assembly and in our halls. The Christmas gayety was climaxed the wonderful and lovely "Snow Ball" dance where Elissa Gustafuson and Dave Dippold reigned as King and Queen.

Donna Curran and Bill Albritton enjoy refreshment time.

No doubt, Coleen Hill and Bud Grimm are having a wonderful time.

Miss Wolf talks to some of the mothers of our fine students at Open House.

Senior June Darnell, displays her talents in the all school play "Swinging High."

The Chili Supper a highlight in this years activities, was enjoyed by waiter, Mr. Yentes; Henry Faulkner, and Bill Watkins.

ORGANIZATIONS

All the organizations at Manual help the student follow a special interest, increase social awareness and prepare the students to be interested citizens of their community. Our Marching Band led by skilled twirlers contributes to the color and excitement of our games. Another group of girls who help to coordinate and encourage our high spirits and good sportsmanship are our Senior Cheerleaders. The spend many outside hours leading our fans in traditional and new cheers at pep ralleys and games.

Our Student

Dave McKie relaxing after a tiring day in council.

Elected by the students of each class, our Student Council has the task of governing, planning, and carrying through with the many extra-curricular activities undertaken by the student body. Under the guidance of Mr. McCann, the leadership of Mayor Dave McKie and the work of the council members, such tasks are accomplished.

The most important school activity undertaken is Homecoming; which includes the stunt shows, the election of the queen, the parade, the dance. Other activities include dances after games, the carnival, paid assemblies, Christmas baskets, and Public Relations. This is the first year for the Christmas Wonderland Dance. Last, but not least, the Student Council handles the business carried on at the school's sales cage. This is a valuable addition to Manual, especially when the students are in need of school supplies. The sales cage handles all school supplies needed by the students. Therefore, Student Council is the most valuable and deserving organization at Manual.

The 1961 Mirror Was Judged Outstanding . . .

Receiving the Mirror in the spring is one of the highlights of the year for the student body. The Mirror is mainly a memory book for a student to remind him of his high school days. A lot of time, work, and effort is put into the preparation of the book. Editor Rissa Cook, staff members, and advisor Mrs. Calkins have the job of preparing the editorial phase of the book, which consists of writing, layouts of pictures and copy, and meeting deadlines. In addition the photography staff has cooperated and done a fine job in getting pictures for the yearbook.

Before school opens in the fall, the Business Staff is at work selling advertisements in order to acquire money to have the Mirror printed. Business manager Artha Bell, staff members, and advisor Mr. Davis undertake this job to layout the advertising section, promote the sale of the book, and help with its distribution.

and So Was Our Newspaper, The Manual!!

The "Manual" is the name of our school newspaper which has served to inform and, at times, entertain the citizens of Manual High School for thirty-seven years. The paper is put together and printed here at Manual by the student body. Pictured above are the editors and reporters who write and edit the "Manual," and below are the members of the business and advertising staff who make the "Manual" financially possible. Not pictured is Mr. Gorman, the advisor of the Newspaper editorial staff.

Photography Club

Members of the photo staff take pictures for the yearbook, newspaper, and pictures for publicity during and after school hours. The Photo Staff should be congratulated for the better quality of pictures used in our yearbook. These include sport pictures, division page pictures, and snaps taken around school and at social gatherings as well. Mr. Wooley is our new advisor.

Library Club

Students finding enjoyment in assisting Mrs. Cavanaugh in the library are members of the library club. Such students are pleased to assist you in your library duties and to acquire knowledge helpful in the field. Meetings are held once a month for the purpose of sharing ideas and planning social events and special trips to other libraries.

Here's Our Manual Marching Band . . . It's Grand

Mr. Huber, our fine director, directing his band.

Mr. Huber is the fine leader of Manual's band. The band undertakes many tasks during the school year; which include half time ceremonies at football and basketball games, and fine concerts. They perform before school assemblies, Mide-State Eight Spring Concert, and social meetings also. The band again this year has put together a very fine birthday calendar on the behalf of the student body and faculty. We are very proud of Manual's Marching Band, and the sharp, snappy majorettes.

Manual Marching Band Entertains At Half-Time

Furnishing entertainment at half-time is the traditional activity for the Manual Marching Band. At football games they parade and play music for the audience, and at basketball games they play at half-time. Besides these activities the Marching Band puts on concerts throughout the year. They put together and sell the Birthday Calendar, have card parties, and other money making jobs. Mr. Huber is in charge of this organization.

Modern Music Master

Another group of the band department is the Modern Music Masters. This group is a mostly money raising organization. Money is raised by different means. Among these are the peanut butter sale, card parties, and others. The president is Jim Liston, Vice President Dave Wolfe, Sec. Treas. Carol Sprehe, Historian Andrea Janssen.

Girls' Glee Club Members Love to Sing . . .

The Girls' Glee Club is made up of girls who like and want to sing for the enjoyment of singing. They learn and sing the music sung by other choirs, so that they may step in if needed.

A Cappella Choir Enchants Us With Song . . .

Manual's main robed choir is the A cappella, under the direction of Mr. Parks. The choir performs before assemblies at Manual, other schools, and important social doings when called upon. This year the choir exchange assembly was with Richwoods High School. This year's A cappella Choir is one of the best, if not the best choir at Manual. Officers include President, Steve Hobbs; Vice President, Bill Lunsford; Secretary, Carol Gunn; Librarian, Dave Dippold; and Wardrobe Mistress, Jackie Nau and Sue Fisher.

And So Does Our Girls' Choir . . .

The Girls' Choir is a choir composed of sophomore, junior and senior girls. These girls appear on certain occasions with the Acappella Choir. The girls in this choir have a chance of going into the Acappella Chorus and some become Stephen Foster Singers.

The Mixed Choir is the newest attraction in the music department at Manual. It is a combination of boys and girls singing together.

Stephen Foster-Singers

The Manual Stephen Foster Singers, a group made up of twelve girls, is organized strictly as an entertainment phase of the music department. The majority of songs that are sung are composed by Stephen Foster. The Fosters, as they are called, appear before audiences throughout the city.

Boys' Quartet

Under the supervision of Mrs. Sepzie, the boys' quartet is organized for the purpose of providing entertainment for special shows. This group sings with the choir at assemblies and other social doings.

The bowling club of Manual is under the leadership of Mr. Aiellio. They meet at the Peoria Auto Parts bowling alleys every Monday after school. The students bowl for positions and receive honors at the end of the year. All students are invited to join if recreation is desired.

Jr. Cheerleaders

Cheering for the sophomores teams at all preliminary games is the job of the Jr. Varsity Cheerleaders. They have done an excellent job cheering the team onward to many victories this year. This cheering year has given them experience for future seasons.

SPORTS

Manual High School has always been noted for its fine sportsmanship. This year's athletic teams suffered a few defeats but the fans came through with their usual morale-building support. Because of this fine backing and fair play, Manual can be proud of its many victories and accomplishments in the difficult Mid-State Eight, where competition is the toughest!

Football

The results of the 1961 football season did not meet the expectations of the coaches and the student body. However, the team showed great improvement during the 10-game schedule. After ending a 30-game winning skein at Galesburg, the Rams were victorious over East Peoria, Joliet Catholic, Limestone, and Pekin. The happiest moment of the schedule was when Manual won their Homecoming game from Woodruff, 26-12. However, the biggest disappointment was the loss to Spalding, 25-6. After a come-from-behind victory over Woodruff, Manual was defeated by Richwoods, 20-12. The Rams then traveled to Springfield, beating the Lamphier Lions, 33-7. The last game of the year Manual was defeated by Central 14-7, after a thrilling "Turkey Day" game.

Galesburg

Manuals thirty game winning skien was checked by a big and fast Galesburg team. The Silver Streaks stopped the Rams in what was both team's first outing this year by a score of 27-7.

East Peoria

By combining a strong defense with a timely offense, the Manual Rams Clipped the Red Raiders of East Peoria 13-0. The victory began the Ram's defense of their Mid-State Eight title.

Joliet

Manual, coming through with a strong first-half, were able to defeat a tough Joliet Catholic 12-7. After getting two touchdowns and six first downs in the first half, the Rams were able to get only three first downs in the second stanza.

Limestone

Manual's Rams collected their 23 consecutive victory in the Mid-State Eight by running over the Rockets of Limestone, 32-6. Again the Ram's balanced scoring and hard-driving line combined to provide Manual with an easy triumph.

Pekin

Manual continued its 24 game Mid State eight winning string by clobbering Pekin 44-0. The Chinks were almost threatened with a negative yards gained total as the Rams defense, headed by Governor Foreman, continually stopped them for losses or no gain.

Spalding

With the chips stacked high and also the teams and the crowd, the Spalding Irish topped Manual 35-6. The defeat made the Rams 4-2 on the season, the loss coming at the hands of Galesburg earlier this season.

Woodruff-Manual

Three thousand fans witnessed as the Rams nabbed a 26-12 verdict from the Woodruff Warriors. Overcoming a first quarter deficit, the Rams dominated the rest of the action as Tom Green and Bill Kessler were high scorers.

Richwoods

Manual was defeated only for the second time in 27 conference games, as Richwoods downed them before some 3,000 gridiron fans at Richwoods Stadium. The Richwood gladiators conquered the Rams by a close 20-12 score.

Bill Albritton tackled after short gain.

Springfield

The Lanphier Lions were cut down at Springfield by the rambling Manual Rams. The Rams, led by quarterback Bill Allbritton, with fine blocking from the line went on to score 33 points to 7 of Lanphier. Well balanced scoring and a good hard-hitting defense were the key factors to the fine Manual victory.

Manual-
Central

The annual Turkey Day Classic was a bitter defeat this year for the gallant Manual Rams. The brilliant Manual attack fell prey to a tough and rugged Central Defense in a low scoring 14-7 contest. Ron Stuber scored twice for the lions while 8000 loyal fans saw Bill Albritton connect with Harold Montville on a long, well executed pass play to give the Rams their only touchdown. The battle was evenly contested and the Manual followers went home to their turkey eagerly waiting next year's clash which will undoubtedly be another story.

Jim Thomson is stopped after a long gain.

Worried moment during Central game.

Basketball

The 1961-62 Basketball season should be considered a rebuilding year for the Manual team. The Rams finished the season with a 0-14 record in the Mid-State Eight and an overall record of 2-19. Junior Watkins and Stan Burke were the only returning members of last season's team, so the lack of experience was an important factor. Also the team was giving away height in most of the games. Nevertheless, many of the contests were close battles because of outstanding effort put forth by the Rams. We hope that next year's Manual basketball team will profit from the experience gained this year.

Manual Fights Size and Experience

The 1961-1962 Basketball season for the Rams looks disappointing in the record book with the losses greatly outnumbering the wins. However, The Manual team has battled the teams of the Mid-State Eight Conference right up to the wire in several games only to fall behind because of their lack of size and experience. In each of 2 games against the leading contenders for the Mid-State Eight Championship the Rams were beaten by 2 points with 2 overtimes in the second game.

Mr. Stonebock . . . Baseball Coach

'61 Baseball

During the 1961 baseball season our Manual team achieved a 12-10 season winning over half their games. The fine coaching of the team was done by Coach Stonebock with Coach Wilkinson as his assistant. The captain of the team was Jim Anderson and leading the league with the batting average of .522 was Bill Kessler. Although the Mid-State 8 and City Championship was not retained, we had the pleasure of winning the championship the two previous years.

Despite the varied amount of success of the team, Coach Stonebock was pleased with the fine contract given to our Wardell Faulkner with the St. Louis Cardinals. This made a fine record of thirteen young men whom he has coached in a 13 year period, to enter bigger leagues of baseball.

The Ram Cinder-Men coached by Loyd Yentes, enjoyed one of the finest seasons in many years. The young Rams split dual meet competition. After an opening loss to the future Mid-State 8 Champs, Peoria Central, the Rams came back to beat Princeville and Limestone. East Peoria then halted the Tracksters. Washington was the next victim, but then came a heart-breaking loss to Pekin. Canton then fell to the Rams, and all that remained was a triangular meet with powerful Richwoods and Spalding. Underclassmen came through with needed points and the score ended up Richwoods 60 1/2; Manual 46 1/2, Spalding 42.

In the big meets inexperience hurt the Rams, but with sophomores and juniors showing the way they placed 4th in the Mid-State 8. Bright spots were Tom Decker, a sophomore who broke the Mid-State 8 mile record for the Rams in 4:36.9. However, Tom Decker has since moved to the Richwoods District. Jim Thomson, a sophomore champ in the broad jump who also placed high in the varsity meet, sophomore Dave Auer, low hurdle champion. Other returning lettermen are seniors Dave Dippold, Bill Lunsford, and Jim Cheeseman. Three fourths of the junior 880-Relay team returned, including Gene Jackson, Jim Thomson, and Dave Auer.

Cross Country-'61'

Manual's Cross Country team did not fare too well in the win and lost column, but the bright side of this season's activities is the fact that our chances look more promising next year. Of the eight man squad, only one senior will not return; resulting in a team, for next year with experience.

Golf Team

This spring the golf team shows some changes which, it is hoped will make possible an alteration on last year's embarrassing record of 0-15. Appointed to effect what improvements he might was Tim Gorman, the new coach.

Since Manual is not endowed with many good golfers, our squad this year boasted only two returning lettermen, Gerald Gratton and David McKie. Dave, one of Manual's outstanding competitors in all areas, is captain of this 1962 team and has done a commendable job of instilling his teammates, especially the sophomores, with the notion of personal responsibility which is so necessary for success in the individual sports. Jerry is another conscientious senior who has worked hard to improve his game and consequently become an effective competitor. Both these boys deserve credit, as do all the underclassmen, who could make next year's team, Manual's best in many moons.

Tennis

Tennis at Manual Is Becoming a Popular Sport

When the call went out this September for prospective tennis players, twenty-one boys responded. Among these were returning lettermen Tom Nevlida, Ed Dentino, Stan Burke, and Dan McCann.

Tennis was revived at Manual last year under the direction of Mr. Gorman. Mr. Funk, the new coach this year of the "net squad," feels that with a little more experience the tennis team can take its place among the many fine Manual athletic aggregations.

CLASSES

Working, playing, and planning for the future we move forward in new directions. Ten top ranked seniors received this high honor because of their scholarship. Our Mayor and Vice-President received the D.A.R. Award for leadership and outstanding service to our school and community. Both these are goals everyone should strive for, an honor all should respect.

Marilee Neptun and David McKie, our D.A.R. winners.

Senior Class

Georgia Schaefer, our class president, talks over future Class plans with other '62 officers; Dave Dippold, Bob Bahr, and Bill Lunsford.

At the end of this year some of the seniors will be through with their formal education and will turn in the new direction of a job. Others will go on to college and continue their training for their life's work. Whatever this class of '62 does, they will have the satisfaction of knowing they have completed twelve years of challenging study.

This year the Senior Class sponsored many activities: such as the Senior Hop, the Class picnic, the Senior Class Play, and the Senior Stunt for the Homecoming activities. Our own class president, Georgia Schaefer, was our Homecoming Queen.

This year our class advisors are Mr. Pratt and Mrs. Cluts who have both done a wonderful job of helping us to have an exciting last year at Manual.

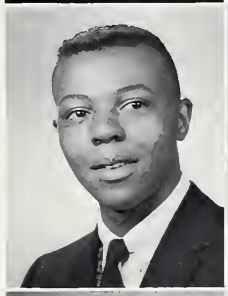
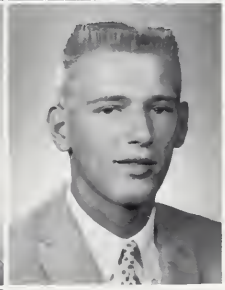
"With her personality and brains she will go far."





Class of '62

Junior Class

The junior class activities include the participation in the 3rd annual stunt show, in which the members of the junior class took full advantage of the opportunity to display their loyalty and interest in the extra-curricular activities of the school. The junior class for the first time in fifty years has decided to change the class ring. Because the name was changed from Manual Training High School to Manual High School, they decided the "T" should be extracted from the ring. Thus, this year the junior class has brand new ring. The junior class collected $1.50 class dues to cover their expenses for the year, such as the Junior Prom, which honors the seniors. This year ends on this happy note.

Looking over the year's activities is Mary Gouran the pretty president of the junior class for this year. She is being helped by able and very willing associates: vice-president--Tom Nevlida, and in back left to right: secretary--Sandra Hurley and treasurer--Milly Daniels are looking on.

Sophomores

The very enthusiastic and large Sophomore Class of '61-62 started this year off with a bang by winning first prize in the annual Homecoming stunt show. The class officers have collected $.50 class dues toward the annual Sophomore Class Party. The class officers work for several months in order to bring to their class the biggest event of the year. This class has taken on their part of the responsibility of this high school, and has improved greatly since the beginning of the year. They are beginning to accept some of the responsibility that life holds for them in future years. And in their future years this class of '64 will be the first to attend the new Manual.

Administration

Dr. Mark Bills, the Superintendent of Schools, has steered us successfully through another year. Peoria is fortunate in having such a capable person as Dr. Bills to head the school system.

The Board of Education is composed of dedicated citizens who serve the community without monetary compensation. They determine the administrative policies for the public school system which educates the citizens of the future.

Our Able Manual Administration

Our principal Mr. Harold Weldin always has the Manual spirit within him. He is a graduate of M.H.S. and so has a deep interest in it. He also attended Northwestern University where he received his B.S. Degree. In 1941 Mr. Weldin achieved his M.S. Degree from the University of Illinois. He has served as Director of Health and Physical Education, Assistant Principal of Harrison School, Principal at Douglas, Tyng, and Manual High School.

Mr. George Mason, our assistant principal, is perceptive to the needs of Manual and its students. Mr. Mason received his B.S. and M.S. from the University of Illinois.

Manual's Dean of Girls, Miss Hester Walmsley, blends kindness and friendship with her counseling. She received her B.A. at Bradley University and her M.A. at the University of Illinois.

Our counselors, Mrs. Tucker, Mr. Dale, and Mr. Wilkinson, express broad understanding and sympathetic interest which draw Manual students to their confidence.

Our Principal, Mr. Harold Weldin.

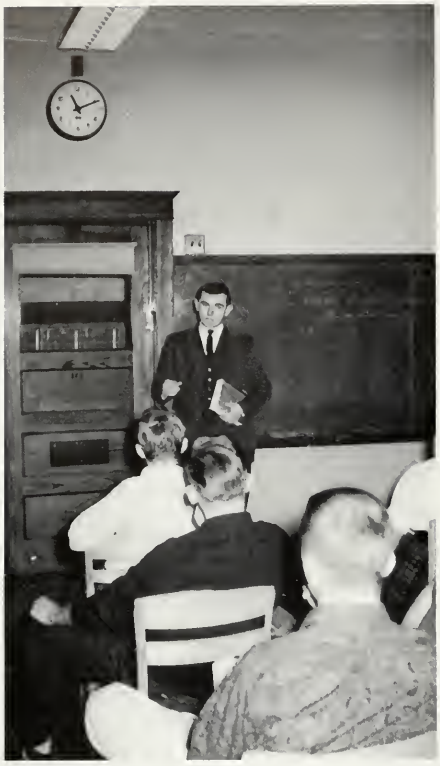
English Department



An English assignment is explained by Mr. Gorman.

The English Department aims, basically, to teach students to speak and write clearly, correctly, and effectively; to read with comprehension; to listen attentively; and to appreciate good literature. A new curriculum guide, now being used for the second year has been devised to strengthen and unify these aims. Besides the 4 year English curriculum courses in journalism, speed, dramatics, and debate are offered.

Activities of the department included the following:

Participation in the Literary Club creative prose contest;

The Joe De Ramus poetry contest; American Legion Essay Contest; the Advertising and Selling Club Contest.

Participation in Speech contests

Participation in debate meets

Dramatic productions, including a one-act play contest; an all school production, co-sponsored by the Speech and Music departments; the Senior Class play.

Foreign Language and Speech

Foreign Language instruction in the nation's schools is undergoing critical analysis and inspection. The staff of Manual High School has responded to this challenge in order to seek out even better techniques and resources for teaching languages other than English.

Most students can profit by a study of a foreign language. There are satisfactions to be derived from recognizable programs in learning a foreign language.

Part of learning another language is learning about the people who use this language.

Industrial Arts

Industrial Arts Dept. is an area in the curriculum that teaches students about the tools, materials and processes of our industrial world. It is our aim to try to help a student decide whether or not he would like to earn his living by working with his hands and mind, and in what field he would like to work. Boys taking Industrial Arts are given an incite into Electronics, Metal Work, Printing, Woodwork, and Mechanical Drawing.

Physical Education

Due to the increased emphasis on physical fitness, the AAHPER "Youth FITNESS TESTS" were given to all sophomore boys this fall for the first time. The junior and senior boys were given the Johnson Physical Skill Test. In keeping with the President's Council on Youth Fitness, more emphasis was placed on calisthenics and formal exercises. Some time in every class is devoted to these activities.

Since it is impossible to achieve physical fitness without good helath, a health program was initiated the second semester for all senior girls and boys.

Fine Arts

Betty Foreman and La Reta Hinton examine a piece of modern sculpture on an art field trip.

Culture is an important ingredient of our everyday existance, enriching life and completing it. Basic to the development of culture is the study of the arts. Manual has always been noted for its fine vocal music department, stage band, orchestra, and marching band. The band, numbering 75 students and the orchestra of 7 are a regular part of the school curriculum. Beside developing their musical talents the musicians are kept very busy entertaining at athletic events, participating in concerts and contests. The art department has had exhibits of student work on display in the cafeteria. Students are encouraged to develop creativeness in art media by increasing difficult projects. All the areas of fine arts encourage appreciation, participation in school and community cultural activities. All of our school area are aided by our fine library.

Knowledge... the key to your future!

Wise men know that knowledge is the key to the future. Knowledge is a search for truth . . . and truth is sometimes stranger than fiction. Happenings in the world today are more unusual and exciting than any mystery novel. The world is big . . . complex . . . strange . . . and yet it has a fascinating story to tell.

True adventures are waiting for you in the great books of learning. All the world's knowledge, wisdom, and experience are yours for the taking. All the wonders of our age are at your fingertips.

High school and college offer you this knowledge in courses like physics, history, chemistry, English, biology, and mathematics. In these courses you can better understand things such as sound and sight, atoms and anatomy, equations and electrons, government and grammar, or many other phenomena of nature and society.

Today . . . business and industry require an increasing knowledge of the world about us in jobs offered to young people. Tomorrow . . . even more education and training will be needed!

Such preparation today . . . can mean much to your success tomorrow.

the man who knows . . . gets ahead!

Best in Illinois for 14 Straight Years

Lois,

Good luck next year at your new school in Indiana. I hope you like it real well. Always remember the crazy times we've had together this year "so if you could ever forget." Whenever you come back to Peoria, be sure and come to see us. We'll all miss you next year. Be sure and write to me and tell me all about what you're doing next year. I've got a lot to say to you so I'll write until I run out of ink.

Love,

Lois -
Best wishes + good
luck in the near + distant
future) to a real swell gal -
Good luck in your future years
and may you find complete happiness
and enjoy life Sweetpea, Haughey '64

Although I'd
miss you next year
I'm sure you'll be
happy in a far and
home in a state - I would
distant state from you if you write
love to hear the time to
you have forget the wonderful
I'll never have had this year
time we you is every.
Best of luck to you always
